**MEDIA**  
MINISTRY

Our Media Ministry is in need of more help! And it is a ministry; you are helping folks to worship through the Word and music. If you can push a button, you can help. We would like to have enough people so that we can create a schedule for the 8:30 and 11:00 worship services. Training involves sitting upstairs alongside our current media ministry team and learning the ropes.

If you are interested, please let Carol Evans, Teresa West or Joy Stallings know and we will get you connected!
