## Renewal Journey

### *September 16 ~ 18*

Dear Church Family,

Hopefully you are well aware of this landmark weekend just a few weeks away now. It's designed to reawaken us all to our purpose and passion and refresh us with God's presence and His perspective. A trained team of leaders will come to guide us through the weekend. I'm asking that you make it a priority for your entire family. We need this encounter with God.

Below you'll see the specific schedule. It's not a "requirement" to be at all the sessions, but please do your best to attend all the sessions and not allow other activities to interfere. Be sure to sign up online so we know how to plan.

We do need some volunteer help in several areas. Please let the church office know how you can help in any of these areas.

- Sign up online to attend and register for meals.
- Sign up online or with Teresa for the 24-hour Prayer Vigil on the 15<sup>th</sup>.
- Provide housing for a team member on Friday and Saturday nights.
- Host a Saturday AM Coffee for a small group in your home.  
Simply provide beverages. A Team Member provides all the leadership.
- Help with meal prep and service.
