Eswatini Mission Trip

January 26 - February 10

Construction, Women's Ministry, Children's Ministry,
 Prayer Walking, Homestead Visits

This will be an unusual trip that can incorporate every sort of ministry. We'll stay primarily in the remote village of Maloma to assist with the construction of a simple cinderblock church building. We'll need some skilled help as well as others to dig, mix concrete, carry blocks, etc.

We hope to have a tent set up on site for women's and children's ministry. There'll be prayer walking opportunities, food distribution opportunities, homestead visit opportunities, etc. and we'll end each day with a casual prayer, Bible study, and worship time under the tent.

Listen to the Lord as He speaks to you about this ministry opportunity. There is a place for everyone! Talk to Greg for more information. 252-946-8074 Ext. 102
